

Because of the Corona Virus quarantine, we met via Zoom. In attendance, Ron & Trish Rogers, Paul & Dawn Carroll, Jeff Sroufe, Nate Wright, Susan Neiman, Randall Holman,

President – Ron Rogers

Ron reported on Ted being in the hospital for the removal of a tumor on his spine. Everyone wished Ted a speedy recovery.

D&O insurance – Ron sent in the paperwork through DocuSign but told Ben to delay until mid-June,

Patches – The patches are on hold as Richard Meier, who is making them, his Dad is in the hospital.

Ron asked the Board how we should handle Members who want to cancel their membership with NOCO IMRG #2036. The Board decided that if you leave because you choose – displeased with Chapter, moved away or if you violate the By-laws and are asked to leave, then they will not receive a refund of your dues. If they are asked to leave by the Dealership for one reason or another, a refund will be given. We have to look at each situation individually.

Vice President – Dawn Carroll

International Female Ride was moved to August 22nd. She will update the calendar when it gets closer. 36,000 IMRG members now, we are increasing,

Dawn asked Ron & I to take inventory of patches and order them now from IMRG since they restocked.

Dawn will leave the ordered tee shirts with Stephanie at the dealership for members to pick up. The extra shirts we have from Jim Horton can be given as a giveaway or we can see if someone would like to buy them.

She is working on getting a fleece vest with a 3” Chapter patch on it, not embroidered.

Secretary’s Report - Trish Rogers

Took a vote to approve last month’s leadership minutes. Paul Carroll made the motion, Dawn Carroll second, all approved.

IMRG #2036 Leadership Meeting Minutes 2020-05-04

I sent an overview email of what we talked about in the Leadership Meeting to Chapter Members to keep them abreast of what is going on and will continue to do so until we can meet formally again.

Treasurer's Report – Trish Rogers for Ted Wolfe

We have \$1,574.54 in the checking account.

Safety Director -Paul Carrol

Road Officer and skills training now moved to June 6th. 9:00 am at dealership, for RO training and 12 Noon to 3:00 pm at Timberline Church for skills. Paul encourages all Road Officer's to attend.

Realities Ride will have a different look to it this year because of the Corona Virus Pandemic. It is being called Realities Ride with No boundaries. They are asking us to do our own ride and donate the money to the Realities charity.

Paul Carrol has a route planned for May 24th through Poudre Canyon, Masonville and Carter Lake. Noon meeting at Dealership, KSU 12:30 pm. It's about a 2 ½- 2 ¾ hour ride. We will brown bag lunch and do social distancing. He will post on the Realities page, which Realities encourages.

May 31st – Cinnamon Ride is pending depending if the store is open. Paul has a backup plan if they are closed and will have cinnamon rolls to pass out.

Paul needs to order 5 Road Officer patches, there in stock for \$25.00. Board voted and agreed for him to purchase them.

Membership Director – Susan Neiman

We have two new members and one that cancelled his membership for a total of 36 members. 12 are non-Indian motorcycle members, and 3 are passengers for percentage of 33.3%. A discussion was brought up regarding do we count passengers in our count for the percentage. Based on how the bylaws are written, the percentages should be based on the number of owners. Calculating the percentages this way doesn't preclude the passenger members from all the benefits of membership.

Activities Director - Paul Long

Paul couldn't be on the Zoom call, but the Board discussed doing a hospital run similar to what the Thunderbirds did. A nurse friend of Ron and Trish's asked if our group would be willing to do a drive by her hospital (UC Health in Longmont) as well as some others. We decided we could do UC Health and Longmont Hospital along with possibly

two nursing homes to keep it simple during this time. It was suggested we get a Longmont Police Officer to be at the sites with their lights on as we enter the parking lot of each facility. I will let Paul Long know so he can make the necessary arrangements.

Marketing Director – Randall Holman

Randall is updating website and added some news feeds, Indian specific news and IMRG Riders email. There is a link to that so you can see it. We are still getting followers on Instagram and Facebook regularly. Facebook is picking up since we started posting more.

Photographer – Nathan Wright

Nathan's waiting for some rides so he can take pictures.

Jeff Sroufe – Dealer Advisor Director

Jeff spoke about the Jim Horton situation. Basically, Jim came to the Dealership to have his bike serviced and a mistake was made. Dealership tried to rectify it but Jim could not be consoled. Things didn't fare well on either side and Jim was asked to leave both Dealership and NOCO IMRG #2036 Chapter. The Leadership agreed that we needed to stand by the Dealership.

Ron ended the meeting by saying he appreciated everyone taking the time out to do this and hopefully we'll be back to normal next month, Monday, June 1, 2020.

He wished for everyone to stay safe and healthy.

Respectfully Submitted,

Trish Rogers
Secretary
NoCo IMRG #2036
