

Meeting called to order at 6:32 p.m.

Interim President/Vice President – Dawn Carroll

Guests were introduced. Introduced guest speaker Curtis Sawyer, Indian Rider Radio (Indianriderradio.com) Curtis has been riding motorcycles for a long time and has a radio show style podcast. Provides a variety of information such as a weather forecast, etc. Emphasized that we have a great relationship with our Indian Dealership who is supportive of our chapter and membership. We have a great opportunity to receive training from the safety officer most chapters don't have. Feels that Indian is starting to rise to the top and will overtake Harley Davidson.

Nominations board the four Board positions officially closed as of Sunday, October 5, 2020. Nominations that were accepted are:

President - Dawn Carroll  
Vice President - Paul Carroll  
Secretary - Susan Neiman  
Treasurer - Ted Wolfe

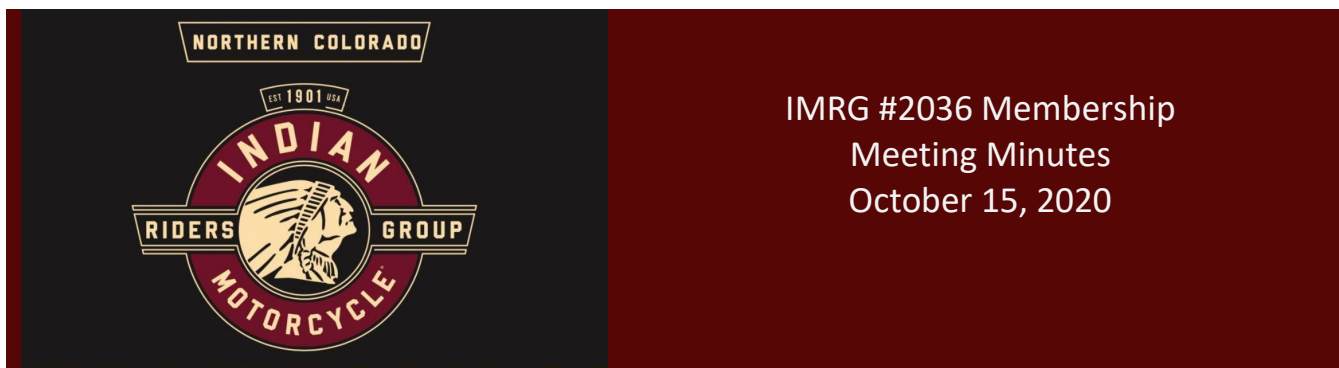

All nominated persons for elected positions accepted their nomination. All positions are running unopposed. Dawn called for an acclamation which is when we run unopposed, we have to have a ballot, but don't necessarily need to have an election. Round of applause for all nominees.

Additional positions that were appointed are:

Paulie Neiman - Membership  
Nathan Wright - Photographer  
Randall Holman - Marketing

Reach out to any of the board members if you have ideas, suggestions, etc. Safety officer is currently not being filled. However, Paul Carroll will still act as Safety officer along with his current role of Vice President.

Thanks to everyone for filling out their surveys. We received 26 so far which is over 50% of the membership. If you didn't have a chance to submit one, Dawn has some available to those who still want to submit one. This is an opportunity to provide feedback and your opinion matters.

Treasurer - Ted has patches available if anyone is interested in purchasing them. Cost is \$10 each. Ted provided accolades to Paul Carroll for his skills sessions.

Vice President - We have one more ride for the year - New Year's Eve, changing of the year ride. Meet at Johnson's Corner at 11:45 PM with KSU at 11:50 PM. We will ride out the old year and into the new year. It doesn't matter how cold it is, we will ride. However, we will not ride if road conditions are bad. Updates for the ride will be posted on Facebook.

Safety tip about riding at night will be up on the website and Facebook soon. Paul will try to keep the safety tips around the current riding season/situation.

We will be supporting Wreaths Across America again this year which is held in December at Grandview Cemetery in Fort Collins.

Marketing - Currently our ride waivers don't have a spot to put emergency contact information on the form. This has been updated to add the emergency contact. It also is on the web site so you can download it, fill it out, print it out and bring it with you. We are making a concerted effort to use Slack Channel a bit more, so make sure you get signed up.

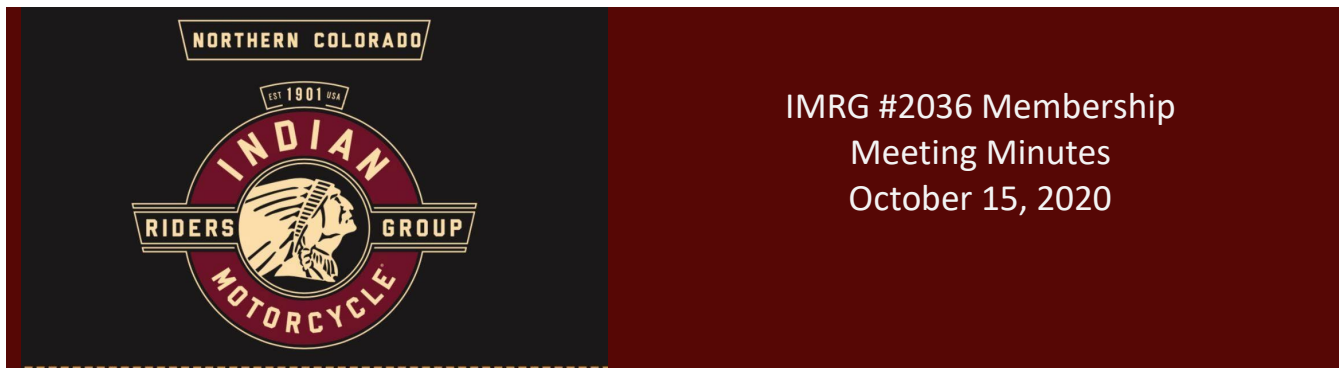

Indian Radio is very worthwhile. He has guest speakers and also vendors as guest speakers. Randall learned about some great mounts for GoPro cameras that he purchased since his previous clamps broke. Randall also passed out some small notebooks for membership.

National has mandated that all of our t-shirts/hats, etc. have to be purchased through a specific vendor through the dealership. Unfortunately all the trinkets that Randall provides us on a regular basis are going away due to the mandate from National.

The custom patch that we have is still okay and we can continue to purchase them through our vendor.

Dealership - Regarding merchandise, we did get a mandate from National, that it has to go through Indian. Appreciate Curtis coming out tonight. As a Board we are really working on some changes for next year and we appreciate all the membership's support. All members who don't ride Indians, we appreciate you and what you do. Very excited with what Indian is doing and they make changes very quickly.

Dawn discussed the new magazine that Indian just sent out to Elite members. Dealership received extras so if you want one, see Dawn after meeting.

Dealership also provided neck gaiters for everyone. Stop by after meeting and pick one up.

No additional or new business. Meeting adjourned at 8:00 p.m.

Respectfully Submitted,

Susan Neiman  
Secretary  
NoCo IMRG #2036
