Floor was opened for Chapter Members to share:

- Denny mentioned a recent motorcycle accident in South Dakota where plumbing supplies fell out of a pickup on the freeway, and the motorcyclist slowed down in the passing lane to try and avoid, and was rear-ended by another vehicle. Question came up on what might have been done to avoid the accident. Dan pointed out there probably wasn’t much the motorcyclist could do, and the best course of action is to try and stay out of the way of such potential hazards (i.e. don’t follow vehicles with potential of cargo loads coming out, stay clear of vehicles pulling trailers, etc.). Other members agreed.
- Denny indicated former Chapter member Nancy Wilford, who has a B&B in St. Francis, would be willing to host a BBQ for those going on the St. Francis overnighiter. Randall, who is leading the ride, will take under advisement.
- Dan discussed the Deadwood 3 Wheeler Rally supporting the Road Warrior Foundation, which he and his cousin participated.
- Alex provided an update from the Stillwater Ranch Poker Run.
