Reviewed the October 2023 chapter membership meeting and post-meeting ride on 10/21:

- Presentation from Law Tigers.
 - Recounted the good points from the presentation listing what to do after a crash like, remember to carry as much insurance as you can possibly get and afford.
 - Dan commented that Colorado only requires uninsured/underinsured motorist insurance on one car. But if you have it on multiple vehicles, they pool into a cumulative policy.
- Completed last official chapter ride of the year through Rist Canyon, Masonville, Carter Lake, then stopped at Derby Grill in Berthoud.
 - Thanks to Harry for reserving tables for the chapter at Derby Grill.
 - Good band at Derby Grill.
 - Made an interesting note that both the first and last Chapter rides of 2023 included post-ride visits to Derby Grill.
