Meeting Minutes

Meeting consisted of the Chapter's holiday social which was called to order and kicked off by President, Randall Holman and Dealership Sponsor, Jeff Sroufe.

Social was catered by Nordy's BBQ of Loveland, CO.

- The catering order consisted of sliced brisket, pulled pork, chicken, BBQ baked beans, potato salad, various BBQ sauces, a few side salads (~10), a few muffins (~12), plastic plates, cutlery, and salt & pepper. It was delivered and set up by Nordy's in catering pans with warmers.
- Nordy's cost was about \$966.62 before tip for 45 people. Or, about \$21.48 per person. Portions were generous and there was food of each variety left over. Order was handled and pricing discount negotiated by Michelle Banks. Jeff Sroufe and the dealership paid for the cost of the Nordy's food order.
- Feedback during and after the social was that the food was excellent, and the value was great.
- Michelle also purchased extra cookies for desserts which were later reimbursed from Chapter funds.
- Water was provided by the dealership.
- A few others brought additional treats.

The food was served from tables in service area and generally eaten in the breakroom area.

This social was held jointly for Chapter members and employees of the dealership. Several commented that it was enjoyable to visit and socialize with dealership employees.

Randall surprised everyone as usual by hosting a raffle of various small Indian and Chapter branded gifts. This was a lot of fun. And all Chapter members in attendance received a gift.

Overall attendance to the event was very good.

No other official notes were taken at this meeting.

Meeting was not officially adjourned but ended at approximately 1:45 p.m.

Respectfully submitted,

Jim Banks, Secretary
Northern Colorado Chapter IMRG #2036
