

About the Northern Colorado Indian Motorcycle Riders Group®:

- Established in July 2018, the Northern Colorado Indian Motorcycle Riders Group® (NoCo IMRG) is Local Chapter #2036, proudly sponsored by Indian Motorcycle of Fort Collins. Our membership brings together riders from all walks of life who love the open road. Whether we're cruising scenic routes or gathering socially, our goal is simple: great rides, genuine camaraderie, and unforgettable experiences.
- All new members are greeted with open arms, whether you are new to motorcycle riding or have been on the road riding for decades.
- Membership is noncommittal. You are not required to attend any specific group functions or meetings and may participate as much or as little as you would like (though we think you will want to join in the fun often).
- We have monthly meetings held at Indian Motorcycle of Fort Collins. They're a great way to meet other motorcycle enthusiasts, have some fun, and learn new things. The Chapter meetings offer a sense of community, and everyone is so welcoming and friendly, and it's easy to make new friends.
- Every month, we have several group riding events, which is the core of what the NoCo IMRG is all about.
- See our website calendar on www.nocoimrg.org for past and upcoming activities, and for other information. Follow us on social media @nocoimrg.
- If you like riding, connecting with great people, and having fun, the NoCo IMRG Chapter is the place for you! Joining NoCo IMRG means you'll always have friends to hit the open road with, opportunities to sharpen your riding skills, and a welcoming community of fellow enthusiasts to share your passion.
